**Last Day
to Register:
9/11/18**

Computer Connectivity Requirements to Participate:

To participate in the *audio interactive Exam Focus System Chat Sessions*, students need a broadband Internet connection speed of 500Kbps for downloads and an upload speed of 150Kbps.

Go to this website to test your Internet connection speed: www.speedtest.net. Click the large button “Begin Test” to start the speedtest. When the test is complete, you’ll be presented with your results.

Students need a headset with microphone. The Professors will be seen in full video. Students can ask questions and give answers to the Professors.

Note: If you experience any connectivity issues using WiFi, you will need to be hardwired to your Internet connection.

**Registration
first-come first-served.
Price: \$225**
